

OUTSIDE BROADCAST UNITS

NEP HD12

10-camera High Definition OB unit

HD 12 is a medium sized, open unit equipped for entertainment and sports events. With the built in storage area it makes for a very cost effective production solution. Together with the expanded production room they make up a very competent combination with a lot of comfort and excellent working conditions. For certain applications such as musical events it's a far more superior solution than bigger and more expensive single trucks.

Trailer

L/W/H: 15,5 m excl. tractor / 2,55 m expanded / 4,00 m
